WHEREAS, Applicant proposes to encroach upon the District’s Easement for the benefit of Applicant’s Property, as more fully described on **Exhibit B** attached hereto; and

NOW, THEREFORE, in consideration of the terms and conditions, hereinafter set forth, the Parties agree as follows:

1. **Consent to Encroachment.** District hereby Consents to the Encroachment as fully described on Exhibit B (“Encroachment Area”), as attached hereto. Any and all rights granted to Applicant under this Agreement shall be exercised at Applicant’s sole cost, risk and expense, and shall be subject to the dominant and continuing right of District to use any and all of the Encroachment Area for District’s public purposes; and shall further be subject to all prior deeds, easements, dedications, conditions, franchises, covenants, restrictions, encroachments and claims of title of record that may affect the Encroachment Area. Under any and all circumstances, all work that is necessary to repair the damage or remove the interference at any time shall be at Applicant's sole cost and expense.
